Happy Thanksgiving, Central Florida hoops fans!

Our Central Florida Thanksgiving tradition returns for its fifteenth installment, spanning two sites, 27 games, and 48 teams!

The Metro Conference represents a collection of schools, faculty, staff, students and parents that are outstanding in so many ways. Athletic excellence is one of the hallmarks of our conference and our area—on a yearly basis, Metro Conference schools are among the state's best in every sport, especially men's basketball. In this annual tradition, we put that reputation to the test—each game features one OCPS Metro Conference school as the home team and another talented program from the greater Central Florida area as the visitor, and we are delighted to have nearly every team from both the west and east divisions of the Metro Conference represented this year.

After a four-year drought, the Metro schools came out on top last year with 16 wins to take their eighth event victory, including a thrilling 49-48 win by the hosting Blue Darters on the final day. They'll be looking to build on that momentum in our fifteenth anniversary event.

Visit MetroVsFL.com for the expanded profiles of each participating team, live updates on scores, live video coverage, and historical records of the best performances of all time.

This year, we will be offering live coverage of our event with all 27 games streamed on NFHSNetwork.com. We will also be simulcasting select games each day on YouTube.com/@MetroVsFL, so if you have friends and family who aren't able to join us in person, or if you need to step away yourself, please tune in, and come back for on-demand replay!

Come back to our site after the event to see full statistics for each game, and follow us on Facebook and X (formerly Twitter) for more live updates: @MetroVsFL

As our event moves forward, we continue to honor the memory of Earl Graham, a Central Florida coaching legend who dedicated nearly 50 years inspiring countless players to love the game and become better men (*see p. 7*). Since 2021, the Earl Graham Metro vs. Florida Challenge has borne his name as a constant reminder of what high school athletics can be at their very best.

We believe this event already is among the best in the southeast and gets better each year. We thank OCPS and the countless supporters of Apopka basketball who have supported this event over the past fifteen years establishing an enduring legacy, and we thank the athletic staff and administration at Lake Highland Prep for allowing us to grow beyond the limits of one site. We are also grateful for the many coaches, parents, administrators, and volunteers from our participating schools who have worked tirelessly to build basketball programs seeking to be a model of success on and off the court.

15TH ANNUAL *Earl Graham* METRO VS FLORIDA CHALLENGE

THE COLLECTIVE

Along with the sponsors whose ads you read and hear during our event, we are blessed by an ever-growing number of anonymous donors. This “Collective” is largely made up of my former players and families. What an incredibly humbling experience to have your former student-athletes give back by supporting this event (and in turn, honoring the memory of Coach Graham)!

I thank God for the blessing of 30+ years of coaching hundreds of remarkable men. These men (ALL of YOU) are my legacy, my “living trophies” (a phrase borrowed from Kansas State assistant coach and current Saint Stephen's Episcopal coach Kevin Sutton). The chance to hopefully be a part of each of these players’ village is the greatest job in the world. Every team, every player has made an impact upon me and I pray for the greatest joy, peace and success for them all.

I’m also privileged to support six of our Apopka Blue Darters in their college and pro careers this season:

Sam Alexis (2022)		Indiana University	Jude Angervil (2025)		Richard Bland College
Zach Anderson (2020)		Bristol Flyers (U.K.)	Jahi Bowden (2025)		Richard Bland College
Keeving Etienne (2019)		Black Forest (Germany)	Jermichael Johnson (2025)		Santa Fe Gainesville

Each of these young men exemplify the culture and character of our program, and I am so deeply proud of them. To my “collective”: Thank you for enduring me, thank you for allowing me to coach you, and thank you for letting me be a part of your lives!

Coach Williams

REMEMBERING

Earl Graham

OCTOBER 16, 1948 - JANUARY 8, 2021

Earl Thomas (Johnson) Graham was born on October 16, 1948 in West Palm Beach, FL to Ella Mae Johnson and Theodore Graham. After his parents married, Mr. Graham legally changed Earl's name and he became Earl Thomas Graham. The family was active members of the St. John Missionary Baptist Church in Rivera Beach, FL. While living in Orlando, Earl was a member of the EBON Temple Church of Jesus and the Mt. Zion Institutional Missionary Baptist Church, where he participated in the Men's Ministry.

Earl was educated in Palm Beach County Schools where he attended Carver Junior High, Roosevelt High School, and Palm Beach High School, where he was a part of the desegregation initiative the Palm Beach County Schools. At Palm Beach High, Earl was an outstanding athlete-recognized as an All American in football. After graduating from high school in 1966, Earl received a scholarship and attended Alabama A & M University, Huntsville, AL, where his major was Physical Education and Kinesiology. He loved his years in college. He pledged Omega Psi Phi Fraternity and was inducted into the Nu Epsilon Chapter (1970). He also continued to pursue his athletic endeavors had a wonderful collegiate career as a member of the football and tennis teams. After spending several exciting years as a college athlete, Earl tried out for the Kansas City Chiefs. Although he did not make the team, he was disappointed, but not defeated, and set another course for his life.

In June 1972, he married Cynthia Hinson and stepped into his role as father to her son, Andrew; in subsequent years, two sons were born to their union. Then, in 1973, he moved to Orlando, FL where his new family resided. In Orlando, he worked several jobs while he prepared for the test to become a firefighter with the City of Orlando. In 1974, he became a member of the third class of Black firefighters hired by the City of Orlando. He served the Orlando community for twenty-eight years as a Fire Fighter First Class and EMT Fire Fighter. Being the athlete that he was, Earl played on several softball and basketball teams. However, after realizing the liability of playing sports himself while working as a firefighter, he began coaching YMCA and Pop Warner football teams and basketball teams. The work schedule of 24 hours on/ 48 or 72 hours off worked well for Earl, as it gave him days of uninterrupted time to pursue his real passion of coaching kids. He finally settled in that coaching basketball was where his real passion and talents lay. It was at this point that his nearly fifty-year coaching career began. Over the years, however, he often interspersed coaching football with his basketball coaching.

In 1975, his son Roderick Earl was born. Rod's first photo was taken in the hospital with his hand propped on a mini basketball. Earl's "own player" was born; however, Earl very much realized that basketball was a team sport. So, as Rod grew and honed his skills, Earl grew as a coach and honed

his skills. Rod's friends, classmates, and their siblings; Earl's fellow firefighters' sons, nephews, cousins, and their friends, as well as the Rock Lake neighborhood and Elementary School were the recruiting grounds for his teams. Additionally, affiliation with the American Athletic Union (AAU) birthed traveling, local, regional, state and national teams. It was a regular occurrence for the Graham house to be filled to capacity with team members whose parents would not be able to attend the game. If the team had a pot of spaghetti (although Earl did not cook) or money for McDonald's or Burger King coupons, and a van (Everyone remembers the big red & white van.), Coach Graham was good to go and the team was on the road.

In 1980, JayRaj was born. Even as a youngster, he would spend hours shooting hoops. He subsequently became the teams' mascot. (Earl very rarely coached only one team.) Jay enjoyed the privileges of being the coach's son and the teams' little brother. When Jay was five, Earl started a "sprout" team so he could grow Jay and his young relatives, friends, and classmates into basketball players.

Throughout his life and coaching career, Earl inspired thousands of players to love the game and become better men. While he can never be truly replaced, we can honor his legacy by playing on in his name. It is in that spirit that our annual celebration of Central Florida basketball forever bears his name.

PIONEERS

Orlando, FL • Class 7A District 5 • Head Coach: Steve Reece (9th year)
Last Season: 17-10 • Regional Runner-Up • MVFC Record: 8-3

SEASON OUTLOOK

Oak Ridge continues its reputation as a talent factory, with five alumni currently playing NCAA D1 basketball. Expect Tim Winkler to join them next year—he'll have his choice—but he has some business to take care of for Oak Ridge first. A perennial playoff favorite, the Pioneers will look to avenge Windermere and get back to the state finals where they feel right at home.

HIGHLANDERS

Orlando, FL • Class 3A District 6 • Head Coach: Ben Fratrik (9th year)
Last Season: 23-5 • Regional Semifinalist • MVFC Record: 11-6

SEASON OUTLOOK

The senior-led team returns a ton of experience, and their high-octane offense can be fun to watch. LHP will have five players on the floor who can all shoot it from distance, and will look to share the wealth and move the ball. The team will have to rebound and defend collectively, without a true big man. But experience, depth, and skill will make up for the lack of size.

BRAVES

Orlando, FL • Class 7A District 4 • Head Coach: David Martinson (11th year)
Last Season: 13-14 • District Semifinalist • MVFC Record: 5-7

SEASON OUTLOOK

After graduating 10 seniors, Boone returns just two players with adequate varsity experience. Connor Summer averaged 13.6 ppg, and Makauri Massey averaged 10ppg. Newcomer Bryce Deas should help solidify the backcourt and help stretch defenses with his three-point shooting. With a competitive schedule, the Braves hope to gain a lot of experience in a short time window.

Last Season: 22-7 • Regional Semifinalist • MVFC Record: 6-3

SEASON OUTLOOK

Last year Auburndale got a slow start but finished strong at 22-7, district champs, and 5A regional semifinalist. Returning four of five starters and adding Jordan Gunter, the Hounds still look to compete in a tough 5A district despite a couple injuries to begin the season. This year leading the way is wingman Jaden Lindsay (12ppg last year). Derek Ramirez is a huge part of the offense with his inside and outside play. Deshawn Johnson and Camren Sneed will run the show for the Hounds and get the engine started. The addition of Gunter and Eddie Lowery gives the Hounds the firepower to contend every night. Gunter is long and lanky and can do everything offensively. Lowery brings the Hounds energy in all phases of the game. Gibson Jean Louis gives us another player who can score and defend at a high level.
